### 11. Petter SOLBERG / Chris PATTERSON

It's so loose. My condition is better.

### 3. Mikko HIRVONEN / Jarmo LEHTINEN

It's ok but this stage is getting rough so I'm sure cars behind can't go faster. I did all good. It's very very difficult. This is a long stage.

### 2. Sebastien OGIER / Julien INGRASSIA

This was a long stage but lots of small gravel on the road, so still we have to clean a bit. The stage got better as it went along.

### 4. Jari-matti LATVALA / Miikka ANTTILA

It was a very demanding stage but no problem. We've been alright.

### 7. Dani SORDO / Diego VALLEJO

A little understeer. Really really hard stage.

### 1. Sebastien LOEB / Daniel ELENA

It's ok.

### 6. Henning SOLBERG / Ilka MINOR

Very difficult.

### 8. Kimi RAIKKONEN / Kaj LINDSTROM

I feel a little bit better but it is hard to concentrate sometimes. This stage was not too bad. I'm quite happy but we made a lot of mistakes. We can improve much more.

### 29. Jari KETOMAA / Mika STENBERG

It's ok, very good conditions on this stage. So I enjoyed it.

**22. Martin PROKOP / Jan TOMANEK**

It's ok. This stage is very good. Really nice to drive. Very good condition. Best stage of the rally but I'm not happy with the cars behavior. Very difficult.

**48. Patrik FLODIN / Goran BERGSTEN**

It was ok. I was not feeling good on the driving but managed to finish this stage.

**26. Bernardo SOUSA / Nuno RODRIGUES DA SILVA**

Ok. Very slippery. I did not get good grip from my tires so it was very tricky.

**38. Hayden PADDON / John KENNARD**

No brakes. We've broken the brakes. All gone.
