

STAGE FLASH

Date: September 11, 2010
Day: 2
Special Stage: SS15 KAMUYCEP 2
Weather: Cloudy
Road conditions: Dry

Flash No: 15
Distance: 33.76km
Temperature: 19°C

11. Petter SOLBERG / Chris PATTERSON

I struggled a lot at the end with understeer. Tires got very warm. I lost a little bit of time in the last kilometers. I think it's really good to be the first on the road.

3. Mikko HIRVONEN / Jarmo LEHTINEN

Everybody's absolutely flat-out on this stage. So still so close. So fantastic. I love it.

2. Sebastien OGIER / Julien INGRASSIA

Top three is very close. I don't need to push to the maximum now because I don't want to open the road for tomorrow.

4. Jari-matti LATVALA / Miikka ANTTILA

I think we've been a second ahead of Mikko. Steering is broken. We can't lose a lot of time in the next stage and two superstages.

1. Sebastien LOEB / Daniel ELENA

Ok but no chance.

6. Henning SOLBERG / Ilka MINOR

It's ok.

29. Jari KETOMAA / Mika STENBERG

Quite good. Still a bit difficult but quite ok.

22. Martin PROKOP / Jan TOMANEK

This is beautiful so we try to enjoy. We are going quite fast. We enjoyed.

48. Patrik FLODIN / Goran BERGSTEN

Very good, no problem. We didn't do any mistakes or break the car.

38. Hayden PADDON / John KENNARD

The brakes still down but its ok. On this stage, trees are quite deep, and the roads are quite slippery. Probably I need little bit cautious.
