### 11. Petter SOLBERG / Chris PATTERSON

We had trouble with damper. It was very difficult to control right and left. I'm hoping to keep my place.

### 3. Mikko HIRVONEN / Jarmo LEHTINEN

Breaking sometimes doesn't get its performance. I need hard breaking now.

### 2. Sebastien OGIER / Julien INGRASSIA

I will push to the end.

### 4. Jari-matti LATVALA / Miikka ANTTILA

This was a great stage. I have been driving so well. It's supposed to the first day we are going perfectly.

### 7. Dani SORDO / Diego VALLEJO

I don't understand what happened with my time this afternoon. I tried aggressive, I lost time though.

### 1. Sebastien LOEB / Daniel ELENA

Everybody is very slow in the morning. There is a very difficult part on this stage. I will try to keep this position.

### 6. Henning SOLBERG / Ilka MINOR

I feel happy. I just tried to go as fast as I can. The car is working very well except for last day I have some problem.

### 9. Federico VILLAGRA / Jorge PEREZ COMPANC

This is a very difficult stage.

### 5. Matthew WILSON / Scott MARTIN

It was difficult to stabilize the car. It goes a little bit drift. I had few mistakes on this stage.

### 29. Jari KETOMAA / Mika STENBERG

No problem. The condition of this stage is not my favorite definitely but I had fun.
