Second stage is ok. I think I finished well. The guy behind me is faster no problem for us.

Time was ok. It is going pretty well. I am pretty happy with the results. So carry on like this.

4. Jari-matti LATVALA / Miikka ANTTILA

Second stage we lost so much time. We were out of the game completely but this stage was helping a lot. Now we did a good time so we are back in the fight again.

5. Matthew WILSON / Scott MARTIN

Lost 7-8 seconds. Not too bad. Just finding it really difficult with the rocks. The rocks are very deep already. Steering and breaking is the hardest thing it seems. Just try to find that balance a bit more really.

6. Henning SOLBERG / Ilka MINOR

Stages are ok. I worked hard in the car and they always getting so bad. So I try my best. The car is working ok.

11. Petter SOLBERG / Chris PATTERSON

My time was brilliant. I would like one more day of sleep and get rid of the fever. I think it would be much better. The car works well.
