Day:	1	Distance:	27.76km
Special Stage:	SS7 SIKOT 2	Temperature:	23°C
Weather:	Cloudy		
Road conditions:	Dry		

---

### 3. Mikko HIRVONEN / Jarmo LEHTINEN

Stage was very rough. It went ok. No worry. Car is perfect, no complain. Today's event has been ok. Very close with everybody so if it continues like this, it's going to be a really big fight. I feel good.

### 4. Jari-matti LATVALA / Miikka ANTTILA

Stage was all right. I was quite happy. A Couple of places we made mistakes, but it was very rapid. You got a good grip but some places got really nasty bumps as well. CAR is going really well and feel good. Today's event has been all right. So far it's good.

### 5. Matthew WILSON / Scott MARTIN

The car is fine. Stages have been not very good at all. Really really soft and rutted. And not much fun to drive. Glad we made it through the day and there is still more to go. But it's been ok.

### 6. Henning SOLBERG / Ilka MINOR

Stage is ok. And I feel ok. The car is very hard. Today's event has been ok. I'm happy.

### 7. Dani SORDO / Diego VALLEJO

Stage was good but we had some problems. I feel not bad. The car is good.

### 9. Federico VILLAGRA / Jorge PEREZ COMPANC

Stage was rough. Very rough. I feel good and the car was ok. Very difficult stage. Today's event has been good.

### 11. Petter SOLBERG / Chris PATTERSON

The stage, car, and today's event was all good.

### 22. Martin PROKOP / Jan TOMANEK

Stage was not bad. Car is perfect. No problem at all. I'm feeling quite well. Today's event has been ok. I'm surprised that it's a little bit deferent than I expected before, but we like it and we have to continue and we are going to .

**29. Jari KETOMAA / Mika STENBERG**

The stage was quite tricky because it was very rough in some places so I had to drive quite carefully. The car is great and I feel not too bad.

**48. Patrik FLODIN / Goran BERGSTEN**

The stage was rough but good. The car was still working and I'm feeling good. But really really hard this rally. It's not easy one. The event's been very good. The second place may have been a little bit too rough for us.
