I am getting used to this car now, and have been doing my best.

We are going to repair it in the service... We have a trouble with the steering. We will push hard in the afternoon. Many many push!

It was good, I am pretty happy. It is quite bumpy for small cars, but otherwise, good.

良かったし満足してる。小さな車には凸凹がきついでそれを除けば大体いいね。

Have not had any major problems, but I do not know how well we are doing, comparing to others.

何事も大きな問題はないですけど、どうなのでしょう、ほかがね。
