DRIVER COMMENTS

3. Mike YOUNG

It's very slippery, we just took it easy. Car performance is perfect.

4. Hitoshi TAKAYAMA

It was a bit too slippery and I made a mistake once. I will do my best at the next stage.

5. Patrik SANDELL

It is OK but it is slippery, not so easy for me but it was ok being a first stage.

8. Dinesh DEHERAGODA

Very slippery, and under-steering a bit so that we need to do some adjustment on suspension, but so far we are happy to finish the stage

13. Wataru AONO

Very slippery road, enough to scare me.

16. Hiroshi HOSHINO

It was more slippery than I expected. I will be careful next.

23. Kimoto KONDO

It is hard to stop the car. The car condition is just so-so. I will do my best.
