LEG 1B

APRC Flash No. 4

Weather: Rain

Temperature: 16°C

Road Condition: Wet with many puddles. A bit rough.

After Stage 11 SATSUNAI RIVER 2

DRIVER COMMENTS

1. Pontus TIDEMAND

It's a good day, a bit tricky, but I am happy with what I got..

3. Mike YOUNG

It's very good day. A bit of car trouble but the driving has been good and it is the main thing.

4. Hitoshi TAKAYAMA

I am glad that I could finish the leg, and I would like to keep it in this way. The car feels good.

8. Dinesh DEHERAGODA

The course is, although it was raining, it was better than yesterday. It was ok.

10. Atsushi MASUMURA

[RH] You seems like in top form today, don't you?

[MASUMURA] No way, I am dying. I am very careful. I suppose everyone has some sort of troubles and the key is I have less troubles. I think that is why I am doing good today.

13. Wataru AONO

I expected the road surface must be very rough now, but I was surprised to find it is not that bad.

16. Hiroshi HOSHINO

I am getting used to the courses here. My car is going ok.
