It's going good. I'm just enjoying driving the car.

So far, so good. I am enjoying the rally, feeling calm.			
3	10 <sup>th</sup>	Dewei LIN	SUBARU IMPREZA WRX STI SpecC
I just crashed. I think we can fix it but I do not know what is the problem now. Maybe puncture.			
4	5 <sup>th</sup>	Fuyuhiko TAKAHASHI	SUBARU IMPREZA WRX STI
As usual, I am doing moderately good. I will keep trying.			
5	7 <sup>th</sup>	Mitsuhiro AOKI	MITSUBISHI LANCER EVOLUTION X
I could finish the first loop and come back, even though there were several moments I had cold sweats. I will try hard in the afternoon, too.			
9	4 <sup>th</sup>	Eiichi IWASHITA	MITSUBISHI LANCER EVO IX
So far we are going good. I still feel sleepy a bit, but I am gradually remembering my driving in the old days, so I will push harder after the service.			
10	6 <sup>th</sup>	Yasushi AOYAMA	SUBARU IMPREZA WRX STI SpecC
The rally is going as my usual Rally Hokkaido situation. I could finish the first loop so I will enjoy the rally in the afternoon, too.			
11	3 <sup>rd</sup>	Shigeyuki KONISHI	SUBARU IMPREZA WRX STI SpecC
I am enjoying, but a bit scared. Probably I am not entirely confident with my driving. But this is fun.

It is good that we have had no troubles with the car, so I will push hard in the afternoon, too.

No major problems so far, so I will keep this pace.
