I could drive steady throughout the day. When compared with JRC competitors I am not fast enough but I think it might be because of the differences of road surface conditions. We will adjust settings of the car and I would like to satisfy myself with my own driving.

My aim for the day was to successfully finish the day, so I am happy with the result. Tomorrow we will drive my favorite stages and I would like to drive faster than today				
5	4	Satoru ITO	Masahiro KIHARA	MITSUBISHI Lancer Evo X
My stage times are not really good, but I am enjoying typical Hokkaido fast and flowing stages. I will finish the day without troubles.				
4	5	Kumiko KOIDE	Tadayuki AKIMA	MITSUBISHI Lancer Evo IX
It is every year thing, but I feel it is more difficult rally than I previously thought. I was shocked to hear Mr. Aoki (Car#3) retired for the day. I will keep my focus on driving to finish the day tomorrow, too.
