

General Information of Rally Hokkaido 2022

This year's Rally Hokkaido will be held as an international rally event.

While the event was held without spectators in 2020 and 2021, we plan to hold its 20th anniversary celebration event as "20th+1 Anniversary" with highest priority infection spread-out prevention respecting its guidelines provided by the Japanese and Hokkaido government as well as JAF.

(Tentative Schedule)

- Friday: Rally Show and Ceremonial Start at Heigen-dori Street (West 2 Street) and Obiriro-eki Kita Hiroba (Obihiro Station North Square) as 20th anniversary event
- Saturday: Stages with spectator points (SS Rikubetsu : 3 runs)
- Sunday: Stages with spectator points (SS Otofuke: 2 runs, SS Pawse Kamuy: 1 run)

Please note we may need to restrict numbers of spectators to admit to each area or hold it as non-spectator event, depending on the infection spread-out situation.

International class will be held as non-championship event, like last year.
